Dates and times

Date of conference: March 9-10, 2017
Set up time: Thursday March 9, 7:30 - 8:00 am
Tear-down time: Friday March 10, 1:10 - 3:00 pm

If your table is located in the main conference room, we ask that you pack up as quietly as possible on the Friday afternoon, or wait for the afternoon break.

Exhibition times and conference program: [Pages 3-4](#)

Contact Info

Questions about the PICNet conference:

Helen Evans, Communications Officer, PICNet
Tel: 604-875-4844 x 22984
Email: helen.evans@phsa.ca

Questions about shipping and receiving at the Sheraton:

Pia Schattner, Conference Services Manager
Tel: 604-233-3964
Email: pia.schattner@sheratonvancouverairport.com _

Shipping information

If you are shipping boxes to the Sheraton in advance of the conference, the hotel's conference manager needs to know the exact **number, size, and weight** of boxes you will be sending. Please contact **Pia Schattner, Sheraton Conference Services Manager** directly (contact info above) with this information **no later than March 3rd**.

Items you are shipping should arrive no sooner than 3 days before the conference. Should the shipment arrive before Monday March 6th, storage fees are applicable: \$5 per box and \$50 per pallet/skid.).

Shipping labels: important!

Please remember to **label all of your boxes with your Company name, Representative's name and cellphone number, and Exhibitor Table number**. You can find your table number on the on [pages 5 and 6](#) of this document We have a [shipping label template](#) to make sure your boxes are correctly labelled (page 7); please use this template in addition to your courier's label, as the courier labels don't provide the hotel with all the info they need (and are often difficult to read.)

For pickups **after the conference**, please label the boxes with the **pickup date** (as well as your return shipping label) and **your contact info** so that the Sheraton staff know whether they need to store these boxes overnight, and whom to contact if there is a problem. There will again be a fee for overnight storage.

If you have any further questions about shipping and receiving, please contact Pia Schattner at the Sheraton directly.

At the conference

The Sheraton staff will put **tent cards on the tables** so that you can find yours more easily. You will also receive from PICNet a hard copy of the program, as well as name tags, and stickers for the Exhibitor Passports.

If you need to leave the main conference room at any time to make **phone calls**, please remember that **sound travels through those doors very easily**. You can use the Exhibitor Room if you need to make calls during any of the presentations.

Booking your guest room

If you will be staying at the Sheraton, you will receive the PICNet discounted room rate of \$149 for a king bedded suite, or a two queen bed suite (\$165 including all taxes). Just be sure to let the Hilton Reservations know you're with PICNet when you book, which you can do [online](#) (group code: PICNET), or by phoning Sheraton Reservations at 1-866-716-8134. You can find directions to the hotel on PICNet's [web page](#).

Exhibitor passport and door prizes

To encourage traffic to the exhibitor tables, we will again be featuring the Exhibitor Passport: delegates must obtain a certain number of stamps from exhibitors in order to enter to enter our grand prize draw.

If you would like to provide any door prizes, these are always greatly appreciated. Last year we received generous donations of gift baskets, gift certificates, a laptop case, water bottles... any items like this would be great! You can simply bring any prize donations to the conference. Thank you in advance!
