

Are you photohygienic?

"Clean Shots" Photo Contest - enter by May 19

The Clean Shots contest has received lots of great photos, so the judges are going to have a tough time choosing the grand prize winner - but **there's still time to submit more photos!**

As well as the grand prize of an iPad mini, there are also weekly random drawings for gift cards, and the health authority that submits the most photos will win a trophy.

You can check out the latest photos in the [photo gallery](#) (and if you have an older browser that won't display the page correctly, you can also [view the photos in Flickr](#).) Please encourage your staff and colleagues to enter; it gets people motivated about hand hygiene, in a fun way!

The contest runs until midnight on May 19th at www.picnet.ca/cleanshots.

WEEKLY DRAWS
gift certificates

MOST CREATIVE
iPad mini

MOST SUBMISSIONS
trophy / bragging rights to the winning organization

More resources

There are also lots of [hand hygiene resources](#) on the PICNet website. Check out all the downloadable resources that are there!

Questions about the contest? Please read the [instructions](#) first, and if you still have questions, you can [email](#) one of the contest organizers.

You can read the full contest Terms and Conditions [here](#).

Good luck in the contest!
