## PROVINCIAL INFECTION CONTROL NETWORK OF BRITISH COLUMBIA

A program of the Provincial Health Services Authority

February 2013

### Education Resource Fund, Latest Surveillance Reports, and Correction to PICNet Calendar

#### PICNet Education Resource Fund

It's that time of year again! Applications for the PICNet Education Resource Fund are available for download.

PICNet's Education Resource Fund provides educational grants of up to \$1,000 annually to members of PICNet's community of practice to support their attendance at a conference, meeting, or other educational activity of their choice. The amount awarded to any individual applicant will be determined by the selection committee. **Any member of PICNet's COP may apply for an educational grant.**

Applications for 2013 funding must be submitted to the PICNet Management Office by end of day February 10, 2013.

[Download the Guidelines and Application Form](#)

#### Surveillance Reports

The latest annual surveillance reports for Methicillin-resistant *Staphylococcus aureus* (MRSA) and *Clostridium Difficile* Infection (CDI) are now available on the PICNet website.

Download the reports: [MRSA](#) | [CDI](#) | [Hand Hygiene](#)

#### Correction to PICNet Calendar: Family Day

Oops! The PICNet calendar has Family Day as February 18th, whereas in BC, Family Day will be on February 11th. When we were designing the calendar, BC hadn't yet announced that it would differ from the rest of the country. Please amend your calendar!
