

ALL PATIENTS

Help us prevent the spread of infections

Inform a health-care provider if you have any of the following:

- Fever or chills
- Vomiting or diarrhea
- Cough
- Sneezing/runny nose
- Difficulty breathing
- Rash
- Sore throat

Clean your hands before and after visiting.

Use hand sanitizer or soap and water.

Wear a medical mask if you have symptoms (if able).

Cough or sneeze into a tissue or your elbow and do not touch your face.
