Help us prevent the spread of infections

Visitors* and health-care workers

A medical mask is required upon entering the facility and in patient care areas. Please use the mask provided.

Please stay home if you are sick — experiencing cough, fever/chills, sore throat, shortness of breath, vomiting, or diarrhea.

Patients

A medical mask is required in waiting areas and the emergency department, and when asked by a health-care provider. Please use the mask provided.

*In long-term care and assisted living, the care team/staff will provide guidance on when visitors can remove their medical masks.

Clean hands before and after visiting. Use hand sanitizer or soap and water.
