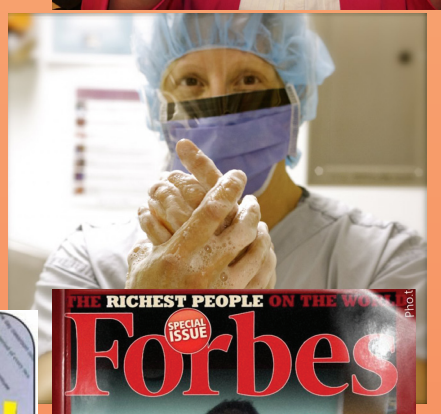
World Hand Hygiene Day: Clean Shots photo contest


In 2014 PICNet, in collaboration with the BC Health Authorities and BCPSQC, ran a photo scontest to raise awareness of World Hand Hygiene Day and encourage healthcare staff to have some fun promoting hand hygiene. The results were fantastic: more than 1,000 entries, and so many great ones that we can't print them all here! You can view all the entries at www.picnet.ca/cleanshots.
