Contact info and reminders

We look forward to seeing you at the PICNet 2018 Educational Conference. Below is all the information you should need; you can also find this on our **Exhibitor Web Page** (<http://s.picnet.ca/exhib2018>). If you have any other questions, you're welcome to contact Helen Evans at helen.evans@phsa.ca; tel 604-707-0909.

The Sheraton staff will put tent cards on the exhibitor tables so that you can find yours more easily. You will also receive from PICNet a hard copy of the program, as well as name tags, and stickers for the Exhibitor Passports.

Also, if you need to make **phone calls**, please remember that **sound travels from the hallway through the main conference room doors very easily**. You can use the Exhibitor Room or Gilbert Room (see floorplan on p.6) if you need to make calls during any of the presentations. Thanks!

If you'd like to listen to the conference presentations, you're welcome to stand at the back of the main conference room or find a seat at a table (there should be spare seats, but please let the delegates seat themselves first).

Driving to the hotel? You can get free parking by pre-booking [here](#).

Set-up and Exhibition times

Set up time: Thursday March 8, 7:30 - 8:00 am

Tear-down time: Friday March 9, 1:10 - 3:30 pm

You can view the **exhibition times** on the following pages.

Shipping information - important!

If you are shipping boxes to the Sheraton in advance of the conference, the hotel's conference manager needs to know the exact **number, size, and weight** of boxes you will be sending. Please contact Pia Schattner directly (email pia.schattner@sheratonvancouverairport.com), tel 604-233-3964; with this information **no later than March 3rd**.

Items you are shipping should arrive no sooner than 3 days before the conference. Should the shipment arrive before Monday March 6th, storage fees are applicable: \$5 per box and \$50 per pallet/skid.).

Please remember to **label all of your boxes with your Company name, Representative's name and cellphone number, and Exhibitor Table number**. You can find your table number on pages 5&6.

We have a template (below) to make sure your boxes are correctly labelled; **please use this template in addition to your courier's label**, as the courier labels don't provide the hotel with all the info they need (and are often difficult to read.)

For pickups **after the conference**, please label the boxes with the **pickup date** (as well as your **return shipping label**) so that the Sheraton staff know whether they need to store these boxes overnight. There will again be a fee for overnight storage. All details of this are available on our [website](#); if you have further questions, please contact Pia Schattner at the Sheraton directly.

Exhibitor Passport and Door Prizes

To encourage traffic to the exhibitor tables, we will again be featuring the Exhibitor Passport: delegates must obtain a certain number of stamps from exhibitors in order to enter to enter our grand prize draw. **If you would like to provide any door prizes, these are always greatly appreciated.** Last year we received generous donations of gift baskets, gift certificates, a laptop case, water bottles... any items like this would be great! You can simply bring any prize donations to the conference. Thank you in advance.
